You are welcome to come on another date if you cannot come on the same day as your student.

## Cost of Attendance

Parent Orientation costs \$35 per person and includes a continental breakfast, lunch, refreshments, a full day of workshops, and printed materials.

A discount rate of \$25 per person is available for those who register in advance.

# REGISTER FOR PARENT ORIENTATION

As a parent or family member, you play a vital role in your student's transition to college life. That is why we want parents and family members to attend an Orientation program. Being a parent of an international student means you have options as to what type of Parent Orientation program to attend:

- **Parent Orientation:**  
University wide orientation program hosted by Orientation & First-Year Programs
- **International Parent Orientation (IPoP) Program:**  
hosted by International Student & Scholar Services
- **Chinese International Parent Orientation Program (CHIPoP):**  
hosted International Student & Scholar Services and delivered in Chinese language.

At all programs, you will learn about the business of interacting with the University and its many resources. At the Parent Orientation program, you will become aware of the transitional issues students experience during their first year at the U of M and some strategies for supporting them through this transition. Even if you're familiar with the U of M campus, Parent Orientation offers relevant and timely information on: tuition expenses (including how the tuition bill can be paid), health insurance, safety on campus, academic expectations, academic advising, registration, and University resources.

The Parent Orientation runs concurrently with your students' Orientation date however, the IPoP program is on Tuesday, August 25 and the CHIPoP program in on Friday, August 28. More information regarding the IPoP and CHIPoP program can be found on next page.

For the Parent Orientation program schedule, visit [www.ofyp.umn.edu/fyparent](http://www.ofyp.umn.edu/fyparent).

# INTERNATIONAL PARENT ORIENTATION (IPoP) PROGRAM

This half-day program on Tuesday, August 25 will address any international student and parent related questions. This session is a supplement to the one-day Parent Orientation program. There is no additional charge for this program.

For questions about IPoP, please e-mail to [ipop@umn.edu](mailto:ipop@umn.edu). We are able to respond in different languages, if needed.

## CHINESE INTERNATIONAL PARENT ORIENTATION PROGRAM (CHIPoP):

Chinese speaking international parents are invited to join a one-day alternative orientation session on Friday, August 28. This session is delivered in Chinese language and addresses specific questions and concerns of Chinese parents.

To read more about this program in Chinese language, go to [www.iss.umn.edu/new/pdf/chipop\\_us15.pdf](http://www.iss.umn.edu/new/pdf/chipop_us15.pdf).

For questions about CHIPoP, please e-mail [lix0887@umn.edu](mailto:lix0887@umn.edu).

## ENCOURAGING INDEPENDENCE

As students begin their careers at the University, it is important that they register for classes on their own with the guidance of their academic advisers, and that they begin making their own decisions about their academic futures.

Encouraging students to be self-sufficient will help them develop confidence, improve problem-solving skills, and enhance their overall experience at the U of M.
